Subject: EPA Activities in Industrial Triangle Area

Deb,

As promised, in preparation for this Thursday's (7/2) meeting with CDPHE and others, attached is an initial summary of current and recent EPA activities in the Industrial Triangle area. This is an initial review based on responses received and would need more work to be considered complete. Also, this summary doesn't include the VB/I-70 Superfund site work (which is probably our most substantial and longstanding presence in the area).

Has a decision been made regarding who will attend the meeting on Thursday?

Corbin
